## SCANLON CONVERTS

A Life-Long Democrat of Martin's Ferry, Who Comes Over to the Party of Prosperity—Joins the Mark Hanna Club.

Charles Wetherston, a resident of Martin's Ferry, and a life-long Democrat, attended the Scanlon meeting at the Star theatre, in that city, Friday evening and came out of the house thoroughly converted. He said to a number of his friends that it was the first time this campaign that he had heard the truth. He immediately joined the M. A. Hanna club and a khaki uniform was given him, which he put on and he was placed in the lead of the club on their trip to Sistersville, Saturday. He states that he will vote for McKinley and the whole Republican ticket. There are many similar instances in that vicinity, as the results of to-morrow's election will show. That city will probably give McKinley a majority 100 greater than it did in 1896.

## Dropped Dead.

Yesterday morning about 6:30 o'clock, Mrs. Regina Hahn was found dead in one of the out-buildings near her residence, in Burlington. She had gotten up a few minutes before and her daughter arose a few minutes later. When the daughter went to the kitchen she noticed that there was no fire kindling in the stove, and as it had always been customary for the mother to build the fire and have it well under headway before the daughter arrived at the kitchen, she thinking something might be the matter, searched the house, but in vain, then a search of the out-buildings was made and she was found in one of them lying on the floor dead. Deceased was in excellent health when she retired the night before, and her death was a great surprise to the residents of that village. She was sixty-two years of age and heart trouble was pronounced the cause of her death. The funeral will take place to-morrow afternoon at 2 o'clock, and the interment will be made at the private burying ground on the farm.

## Nose Broken.

The eight-year-old daughter of Mr. and Mrs. Harry Darg, of Martin's Ferry, was kicked in the face Saturday afternoon, by a horse and sustained a broken nose. The little girl was playing around a few of horses which were hitched in the alley and it is thought that she had been abusing one of them, and it flew away and kicked her in the face. She will be laid up for several days.

## John Burns Dead.

John W. Burns, an aged resident of Martin's Ferry, died at his home on Walnut street, at an early hour Saturday morning, after an illness of several months. Deceased was eighty years of age and had been a resident of that city for many years. He was the father of William Burns, Democratic candidate for sheriff of Belmont county. The funeral took place yesterday afternoon at 2 o'clock from his late residence. Interment followed at Riverview cemetery.

WORKING ON FOREIGN ORDERS

Is the Bellaire Steel Plant—Prospects for the Future Good.

The Bellaire steel plant operated all of last week on export steel. The orders of this kind have furnished a large share of the work for several months past, and instead of a shut-down from over-production, as was so common only a few years since, the mills are now kept in steady operation, not only to supply the domestic demand, but to keep up the foreign trade. Prices are so adjusting themselves that it will not be surprising to find this foreign trade going beyond the fondest hope of the most enthusiastic advocate of present policies.

BELMONT BY 1,800 TO 2,000

Is the Claim of Republican County Chairman Bergundthal.

County Chairman W. C. Bergundthal confidently claims Belmont county by from 1,800 to 2,000, and the Democrats capable of sizing up the situation concede from 1,200 to 1,600. The tide is toward McKinley and continued prosperity. The trend is against taking any chances on any kind of a change. The people are well pleased with the general conditions now and will not risk any kind of a disturbance or interruption. The only Democrats active are those who feel that they must impress their personality on their party for future considerations. Hundreds of the best Democrats are in line for prosperity.

## CONGRESSMAN GILL CONFIDENT

That the Republicans in the Nation, His State and District Will Win.

Hon. J. J. Gill, whose brief career in Congress, having served only one session, has stamped him as a capable man of affairs, covered in a general way most of the counties of the over-the-river district the past ten days, calling upon as many of his constituents as was possible in the limited time at his command. Everywhere he was received with highest favor and the most cheering reports come from all parts of the district. Mr. Gill has not the slightest doubt of a glorious triumph in nation, state and district, confident that the calm judgment of the people will sustain the policy of President McKinley and the Republican party. Wherever he has been he has received assurances from conservative Democrats of their intention to have a full and fair trial of the present policies before trying any new experiments. Mr. Gill ends his brief campaign with a single regret, and that is that he did not have more time to visit in the various counties. All of his constituents are so thrifty, cheerful and hopeful that it buoyed him up and made him forget for the time that he had been troubled with any ailments at all, and their warm, hearty greetings filled him with confidence in the judgment of the people this year.
